

## **Data protection**

Responsible in terms of the data protection act:

**BeTe GmbH**

**Nordstrasse 53**

**42781 Haan**

### **privacy**

As a website operator, we take the protection of all personal data very seriously. All personal information is treated confidentially and in accordance with the statutory provisions, as explained in this data protection declaration.

Our website can of course be used without providing any personal data. However, if at any time personal data such as name, address or e-mail is requested, this will be done on a voluntary basis. Data collected by us will never be passed on to third parties without your special permission.

Data transmission over the Internet, such as via e-mail, can always have security gaps. Complete data protection is not possible on the Internet.

### **Information, deletion, blocking**

At any time you can find out about the personal data, their origin and recipient and the benefits of the data processing and request a correction, blocking or deletion of this data free of charge. Please use the contact details given in the legal notice. We are also available at any time for further questions on the subject.

### **Server log files**

The website provider automatically collects and stores data in server log files that are transmitted to us by your browser. These data contain:

- browser type / browser version
- Operating system of the computer

- Referrer URL
- Host name of the accessing computer
- time of the server request

These data are not personal. This data is not merged with other data sources. If we become aware of specific indications of illegal use, we reserve the right to check this data retrospectively.

## **Cookies**

Many websites use cookies. Cookies are harmless to your computer and virus-free. They serve to make Internet offers friendlier, more effective and safer for visitors to a website. Cookies are small text files that are placed on your computer and used by your browser.

We usually use so-called "session cookies". These are automatically deleted after leaving our site. Other cookies remain stored on your computer until you delete them. These cookies help to recognize your computer the next time you visit.

You can use the browser settings to specify that you are informed about new cookies and that you have to accept cookies in each case. You can also exclude the acceptance of cookies for certain cases or in general or activate the automatic deletion of cookies when you close the browser. If cookies are deactivated, the functionality of our website may be restricted.

## **Advertising emails contradiction**

We hereby expressly forbid the use of the contact details published in the legal notice to send unsolicited advertising and information materials. In the event that unsolicited advertising information is sent, for example through spam e-mails, the website operator reserves the right to take legal action.

## **Change of data protection regulations**

Our data protection declaration can be adjusted at irregular intervals so that it complies with current legal requirements or to implement changes to our services, e.g. B. when inserting new offers. The new data protection declaration will then automatically apply to your next visit.

## **Contact the data protection officer**

If you have any questions about data protection, please send us a message to [info@be-te.com](mailto:info@be-te.com) with the subject "Data protection".
